

HONOR THAT
EXTRAORDINARY
ORL NURSE

***Recognize that extraordinary ORL nurse
who was your peer, your mentor, your caregiver.....***

Nurses are the backbone of healthcare and touch lives daily; yet they seldom receive feedback on their value to others. You can make that difference today by recognizing **YOUR Otorhinolaryngology (ORL) NURSE** through a named donation to the Ear, Nose, and Throat Nursing Foundation.

The ENT-NF is supported entirely by voluntary contributions and these donations are tax deductible. Your contribution is an investment in the future of Otorhinolaryngology and Head-Neck nursing care supporting education, scholarships, and research grants. The nurse you honor through your donation will receive a **Certificate of Honor** and his or her name will be added to the annual ORL Nurse Honor Roll.
